We will meet at Signal Mountain Lodge in Grand Teton National Park for introductions and a short orientation on the evening of Sunday, 25 September 2011, and will spend three days in Grand Teton NP before traveling to Yellowstone. We have booked a block of rooms in the historic "Old House" at the Old Faithful Inn for our stay in Yellowstone.

The workshop price is \$1395 per person (double occupancy) and includes seven nights of in-park lodging. A \$200 deposit is required to reserve your slot, and full payment is due no-later-than 1 September 2011. Full refunds will be returned only if reservations are cancelled prior to 1 September and the resulting opening can be filled. Cancellations after 1 September for which slots cannot be filled will result in forfeiture of the \$200 deposit in order to cover cancellation fees. Please send checks to:

Keith and Rebecca Snell  
272 Patton Drive  
Wichita KS, 67208

Rooms in the Old Faithful Inn are traditional lodge style, with shared bathrooms down the hall. Upgraded rooms with bathrooms are available at an additional cost of \$120 per person (double occupancy). Because rooms are limited, we highly encourage "double occupancy," (all rooms have two double or queen beds) however a single occupancy rate is available at an additional cost of \$750 per person (plus \$240 if you upgrade to a room with bath in Yellowstone).

The workshop will involve short hikes and extended days photographing in the parks. Please list health conditions, prescription medications or life threatening allergies we should be aware of in the event of an emergency:
